KEY INVESTMENT HIGHLIGHTS

Inform Lykos S.A. (Bucharest)

In 2001, LYKOS Group took its first steps in Romania by acquiring two printing houses, with the aim to transfer the Lykos successful business model to this fast growing market. Indeed, within the next few years we managed to transfuse to the new company our know-how and experience, while investing significantly in the required infrastructure. Today Inform Lykos S.A. has doubled its productive capacity and prints a significant amount of bills and statements through its state-of-the-art digital printing and fulfilment production lines. The company has become an official supplier of the National Printing Office and took upon outsourcing projects on behalf of the Romanian State. ILR was certified by the Romanian Department of Economics as the largest manufacturer in security printing.

We lead the market of printing products, such as business forms, paper rolls, security and commercial printing, carton and plastic cards. We are also pioneering in the market for Business Process Outsourcing, offering statement and bill digital printing and fulfilment, electronic bill presentment, card personalization, loyalty software applications and print management services. The company operates from its purpose-built premises of offices and production areas, covering 15.000 square meters in the Bucharest region, employing more than 230 employees.

The company successfully delivers products, services and integrated solutions customized to highly sensitive and demanding requirements for Banks, Telecommunications, Governments, Lotteries, Retailers and other organisations. We aim to play a significant role in the development of the Romanian market and support it towards a developed economy in the years to come.

Austria Card GmbH (Vienna)

In September, 2007, Inform P. Lykos S.A. signed an agreement with Oesterreichische Nationalbank (OeNB), the Central Bank of Austria, to acquire 85% of Austria Card. Austria Card was founded in 1981 as a personalization center for eurocheques and eurocheque cards and has developed to a leading European company in the specialized field of secure smart card production and development. More than 70 million cards are produced annually and 70% are exported to Eastern Europe, Scandinavia and the Middle East, employing approximately 300 employees.

Since 2011, Inform P. Lykos S.A. owns 100% of Austria Card.

Thus, Lykos is present in the Finance/Banking, Telecommunications, Industry and Government sectors across a significant part of Central, Eastern and South-East Europe. The Group has the ability to provide integrated solutions that cover efficiently and reliably the needs of major organizations for strategically important services that touch upon information management and dissemination with security and integrity. Lykos boasts some of the most well-known names in the banking sector, as most banks in the area are our customers, Telcos, financial corporations, big retailers and the major public authorities and civil services.

ALBANIAN DIGITAL PRINTING SOLUTIONS Sh.p.k. (Tirana)

Latest June 2012, Inform P. Lykos S.A. acquires the 51% of ADPS (Albanian Digital Printing Solutions).

ADPS is now the third Production Site for Lykos in the area of Balkans. ADPS can offer Digital transactional Printing, Information Management and Business Communication Services, for Banks, Telcos, Retailers, Albanian Ministries and Public Organizations.
