**Issue: Project: "Re – Innovating the ATHEX Derivatives Market"-
Start of the testing of the new releases (OASIS & DSS)**

Dear All,

Following the recent updates regarding the project "Re – Innovating the ATHEX Derivatives Market", we would like to inform you that from Monday 17.3.2014, the test trading system (OASIS V4.0), as well as the test Clearing, Settlement and Registry system (DSS), will be available in the context of this project.

The purpose of the testing is to carry out the organizational preparation of all market participants and check out the readiness of their information systems.

GUIDELINES - SUPPORTING DOCUMENTATION

The relevant technical guidance regarding the access to the new test environment and the related supporting materials will be available on Friday 14.3.2014, in the following URL:
