

BIOGRAPHICAL NOTE

Odile De Brosses

Odile de BROSES, Master in Business Law, Barrister from 1987 à 1997. She is now Director of Legal Affairs in the French Association of Large Companies, AFEP (Association Française des Entreprises Privées). She chairs working groups with senior managers to define the position of French companies on company law, financial law and corporate governance and lobbies French public authorities, EU institutions and international organisations.

She has participated in the successive modifications of the Afep-Medef corporate governance code for listed companies.
