

COMPANY PROFILE

EYDAP S.A.

Athens Water Supply and Sewerage Company (EYDAP S.A.) is the largest company in Greece operating in the water market. The Company serves approximately 4,300,000 customers through an extensive network of 2,060,000 water meters and a 9,500 km. network of water pipes. The sewerage sector serves 3,500,000 residents with sewers spreading at almost 8,500 km.

EYDAP was founded in 1980, after the merger of the Greek Water Company of Athens, Piraeus and Environs S.A. and the Athens Sewerage Organisation. The Company, faithful to the principles of corporate responsibility, is providing high quality water and sewerage services to its customers and optimal financial returns for its shareholders, while operating under the light of responsible business practices towards society, people and environmental protection.
