Note on Forward-looking Statements:

Some of the statements in this document are "forward-looking statements". Forward-looking statements are derived from information that we currently have and assumptions that we make. Words such as "believes", "anticipates", "targets", "expects", "intends", "seeks", "will", "plans", "could", "may", "projects" and similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements. We cannot assure that anticipated results will be achieved, since results may differ materially because of both known and unknown risks and uncertainties which we face. Save as required by law or regulation, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, different anticipations or otherwise.

Factors that could cause actual results to differ materially from our forward-looking statements include, but are not limited to, the following:

- the effects of domestic and foreign economic and political conditions, and conditions which affect the market for electronic communications services;
- changes in the laws, rules and regulations which apply to our company and its affiliates, including changes to permitted tariffs;
- · the effects of competition from other providers of electronic communications services;
- risks that we face in entering new markets and diversifying the products and services we offer;
- unexpected turnover of professional staff;
- changing trends and inherent uncertainties in the electronic communications industry;
- the ability to attain adequate prices, obtain new business and to retain existing business consistent with our expectations;
- the level of demand for our services;
- the ability to reduce costs;
- the timely development and acceptance of new products and services;
- the effect of technological changes in communications and information technology; and
- the managing the foregoing and related risks.

In light of these risks, uncertainties and assumptions, the forward-looking events in this document might not occur. You are cautioned not to place undue reliance on any forward-looking statements, which speak only as of their respective dates.
