

Forbes Magazine Award (Investment of the Year)

FOURLIS GROUP hereby announces that IKEA Bulgaria received a special prize for “Investment of the year” in the Forbes annual business awards.

“Forbes business awards” are business awards, which are organized by Forbes Bulgaria magazine. The idea is to present the business companies in Bulgaria and to rank them with their specific achievements. The aim of Forbes business awards is to promote good business practices in the country.

After the selection process of nearly 170 entries from 95 companies, the first Forbes business awards in Bulgaria were given on 08.12.2011 on a special awarding ceremony. The award for the category “Investment of the year” was given by Traicho Traikov, minister of economy energy and tourism of Bulgaria.
