

Forthnet A.E.

Announcement

4.10.2017 Cooperation Agreement between Forthnet – DEI

Forthnet announces the conclusion of a Cooperation Agreement with DEI for exploring the development and promotion of combined services which will meet the needs of Greek households in the fields of energy, entertainment and communication as well as of wider commercial synergies. The collaboration with DEI shall be non exclusive and shall initially involve limited clientele in order to evaluate the potential of the synergies' increase in the new competitive environment of energy market as well as in the highly competitive environment of telecommunication and Pay TV market.
