INTRALOT EXPANDS ITS WLA SCS & ISO 27001 CERTIFICATION IN CHILE AND THE US STATES OF LOUISIANA AND MONTANA

October 2nd, 2017

INTRALOT has been awarded the World Lottery Association Security Control Standard (WLA SCS:2016) and ISO/IEC 27001:2013 certification for its operations in Chile and in the States of Louisiana and Montana in the US, in line with the Group strategic priority to meet the highest global security standards.

The new certifications cover all corporate functions of each operation, formalizing the existing management systems that control the integrity of the games and corporate conduct as a whole and are complementary to the WLA SCS, ISO 27001, ISO 20000, ISO 9001, ISO 29990 and ISO 14001 certificates of INTRALOT Headquarters in Athens, Greece.

The certifications cover the complete life cycle of system and service design, development, implementation, support and operation in a particular country. The audits were performed by TUV Nord, one of the world's largest certification bodies which performed on-site inspections, examining the local operations.

"Boosting transparency and integrity standards is a strong prerequisite for sustainable growth and value creation in the digital era. To this end INTRALOT provides reliable systems and solutions of the highest qualifications. We are proud to extend our WLA security certification credentials in three more jurisdictions as part of the continuous improvement of our offering to players and business clients," stated INTRALOT's Group COO Mr. Nikos Nikolakopoulos.

Mr. Thierry Pujol, WLA SRMC Chair, added: "INTRALOT is being WLA SCS:2016 certified with 3 new jurisdictions (Chile, States of Louisiana and Montana in the USA). This is a great result for this company which was the first Associate Member of the WLA to be WLA SCS certified in 2008. The WLA SCS:2016 is now a reference in terms of transparency and governance in the lottery business industry. With a total of 137 controls WLA SCS:2016 is a strong, mature and reliable standard. As chair of the WLA Security and Risk Management Committee and on behalf of the members of this committee I would like to express my sincere congratulations to INTRALOT and all its management involved in this process."
