
Press Release

December 6th 2017

ATHEX Market Indices

The Athens Stock Exchange announces the necessary adjustments that must be implemented to all ATHEX Market Indices regarding the forthcoming implementation of the mandatory tick size in share prices according to art. 49 of MiFID II and RTS 11 ([Reference domination](#)).

More specifically, all **index divisors will be adjusted before the start of business of the effective date of the new tick size**, in order to avoid deviations between the starting prices of the Indices and their previous close price.

About Athens Exchange Group

The **Athens Stock Exchange** since its establishment in 1876, consistently participate in the financial and business developments in the country.

Athens Exchange Group (ATHEX Group), provides support to the Greek Capital Market. ATHEX Group operates the organized Equities and Derivatives markets, the alternative market and performs clearing and settlement of trades.

The Athens Stock Exchange, through its markets, offers solutions and financing tools to businesses, expands investor choice by providing a safe, stable and easy environment in full alignment with international practices and the European regulatory framework. It has held the ISO 22301:2012 international standard for Business Continuity, for all its companies, including all its operations as well as the products & services it provides.

In a period that the role of stock markets in exploring alternative ways of financing business, at a European level, is significantly enhanced, the Athens Exchange Group has taken a series of initiatives to highlight the attractiveness of the Greek Capital Market and the Greek companies to the international investment community and expand the variety of investment opportunities.

Its shares are traded on the Main Market of the Athens Stock Exchange (Symbol: EXAE).
