Corporate Presentation

May 2018

Our Story

Established in 1990, AS Company S.A is a Greece based *manufacturing and trading company*, with its main business activities revolving around *toys*.

AS imports toys, as well as develops and manufactures its own toys.

Leveraging on its deep know-how in the toys business, its extensive POS network (more than 1,800 points around Greece), and its robust licensing portfolio, AS Company has become one of the key players in the Southeast Europe Toy market.

AS Company positions itself exceptionally well in the national toy market, holding approximately 14% market share.

The company has also established a Logistics Centre, in order to support sales and better serve its customers. The privately owned building in Thessaloniki covers an area of 16,000 m2

Our Success

AS's success is based on:

- Being exclusive representatives of globally known products with high brand awareness
- Leading Marketing and R & D departments
- Long term relationships with Toy & Game Retail Chains, Supermarkets/Hypermarkets
- Healthy Balance Sheet that can support financing requirements

Apart from the toy business AS Company has expanded in the children's clothing SBU with retail stores in Northern Greece.

Established in 2016, a subsidiary in Cyprus named "AS Company Cyprus Limited", with a Share Capital of €150.000, with a 100% participation by AS Company S.A.

Established in 2018, a subsidiary in Romania named "AS KIDS TOYS S.R.L.", with a Share Capital of \notin 400.000, with a 100% participation by AS Company S.A.

Stock Development - Overview

Group Goals & Prospects

In 2018, the Group aims to achieve its annual business goals, create the infrastructure needed for its future development & give priority to upgrading its operations at all levels.

The Management of the Group will continue to focus on exports in other European markets, continued growth of its subsidiaries and the maintenance of its retail activity.

In light of all the above the Group proceeded with the expansion into the Romanian market in 2018, with the establishment of its subsidiary, AS Kids Toys Srl, in which the share capital is 100%.

The Group will continue to enrich its product portfolio with new quality innovative products while keeping its sales prices to consumers at affordable levels. Promising to continue the best quality at the best price it has done all these years.

This focus will lead to the further increase in market share nationally in the child-toy industry as we can see the Group has consistently achieved throughout the years:

Wholesale	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>
Children's toys - Domestic Market	4.045.953	16.144.661	17.893.500	21.517.436	21.907.212

Group Goals & Prospects

AS

As mentioned, with the Group's focus on its infrastructure & operations, its continuous control over expenses in relation to sales will bring forth the projected results.

	2017	2016	2015
Overheads	6.952.058	7.385.468	7.057.719
% percentage of sales	27,7%	29,4%	32,9%
% annual change	-5,9%	4,6%	4,1%

The Group with its strong own brand names & distributions has been able to create categories that will provide the revenue base and ongoing cash flow to support its growth strategy.

This along with a growing industry which is constantly reshaping tomorrow & creating a new future along with new opportunities for AS !

*Based on the new market data and the estimate of the exchange rate of the euro / dollar at the levels existing at the time of the Report, the gross profit ratio is not expected to change in 2018. Any improvement in the economic outturn is estimated to result from an increase of the Company's volume of business, with the strengthening of its share in the domestic market.

THANK YOU FOR YOUR TIME
