

ANNOUNCEMENT, 01.06.2018

Yesterday, 31.05.2018 was the due date for the submission of the binding offers to Attica Bank for the management of the NPEs portfolio of 700.5 million euros.

Three offers (3) were submitted, that will be assessed from the Advisor and the Bank, and then the Bank will select among the interested parties the most suitable, so as by the end of June all the necessary contractual documents are signed, along with the continuous effort to strengthen the Bank's capital base from foreign and domestic investors.

Consequently, from July 2018 onwards, restructured, sufficiently capitalized and with high solvency ratio, the Bank will be able to proceed efficiently to fulfill its purpose for the best service of its clientele, SMEs and freelancers in particular, in the interest of its shareholders and aiming at increasing its profitability.
