Changes in the composition of the index

The changes that will take place in the composition of the index in accordance with the provisions of the Ground Rules, with regards to the handling of the suspension of trading of the shares of the company “FOLLI-FOLLIE S.A.” which on Friday 8 June has been in effect for 10 working days are announced.

In particular, the following changes will be implemented:

- The Ground Rules stipulate the removal of the shares of the company from the composition of the index at a **zero share price**.
- As a result of the zero price of the share in index composition, the **closing price of the index on Friday 8 June, as well as the starting price on Monday 11 June, will differ** by the weight of the shares of the company in its composition.
- Required replacement in index composition will be made after the end of trading on **Monday 11 June**.
- The selection of the replacement is made based on the methodology in the Ground Rules based on the closing prices on **Friday 8 June**.
- The shares of the company will be replaced by the shares of the company “QUEST Holdings SA” with an investability weight of 100%
