

PRESS RELEASE

Successful bid for the acquisition of two properties located in Athens and in Chalandri, by Trastor R.E.I.C.

TRASTOR REIC (the “Company”) announces that, on October 10th, 2018, it was declared the highest bidder for the acquisition of:

- a) Office areas in a modern office building located at 270 Kifissias Ave. The total surface area of the properties acquired is 1,605.50 sq.m. and the price offered by the Company is € 2,102,469, and,
- b) An office area located on the 2nd floor of a listed property, with excellent visibility and access, located at Filellinon & Othonos Str., at the center of Athens. The Company owns the 4th and 5th floor of this building. The offered bid was for € 682,500.

All required formalities for the conclusion of the above two acquisitions are expected to be completed in due course.

The Company’s Chief Executive Officer, Mr. Tassos Kazinos, made the following statement:

“Today, we have added two more properties with excellent specifications to our portfolio, continuing to take advantage of the opportunities that arise in the Greek real estate market. We are strengthening our presence in the center of Athens and Chalandri with targeted investments of high-end properties.”
