The application contains the subject of the Daily Agenda. If no General Meeting is convened by the Board of Directors within twenty (20) days from the service of the relevant application, the convocation shall be carried out by the applicant shareholders at the company's expense, by a court order issued in the interim proceedings. The, after the postponement, General Meeting is a continuation of the previous one and does not require the resumption of the publication of the invitation of the shareholders, which may be attended by new shareholders in accordance with the relevant participation formalities. For the rest, paragraph 4 of article 30 hereof applies.

(6) At the request of any shareholder submitted to the Company at least five (5) full days prior to the General Meeting, the Board of Directors is obliged to provide the General Meeting with the requested specific information on the Company's affairs insofar as these are useful for the actual assessment of the items on the agenda. In all the above cases, the Board of Directors may refuse to provide the information for substantive reasons, which is recorded in the minutes. Such a reason

D. PROCEDURE FOR VOTING RIGHTS EXERCISE VIA REPRESENTATIVE - PROXY

Each share entitles one vote to the General Meeting.

The General Meeting is entitled to participate and vote on each shareholder. The shareholder participates in the General Meeting and votes either in person or through representatives. Each shareholder may appoint up to three (3) representatives. A

representative acting for more than one shareholder may vote differently for each shareholder.

Legal identities participate in the general meeting through their legal representatives.

The shareholder may appoint a representative for one or more general meetings and for a certain time. The representative shall vote in accordance with the instructions of the shareholder, if any, and shall be required to archive the voting instructions for at least one (1) year, from the date of the General Meeting or, in the event of its postponement, the last repeating Assembly in which he used the proxy. The non-compliance of the representative with the instructions he has received does not affect the validity of the decisions of the General Assembly, even if the representative's vote was decisive for achieving the majority. The provisions of article 128 par. 4 and 5 of law 4548/2018 apply to the appointment and revocation or replacement of the representative and the obligations of the shareholder's representative.

However, if the shareholder owns shares of the Company that appear in more than one securities account, this limitation does not prevent that shareholder from designating different dealers for the shares appearing in each securities account in relation to the General Meeting. The shareholder's representative is required to disclose to the Company, prior to the opening of the General Meeting, any specific event that may be useful to shareholders to assess the risk that the agent may serve interests other than the interests of the represented shareholder. For the purposes of this paragraph, a conflict of interest may arise, in particular where the agent: (a) is a shareholder exercising control over the Company or is another legal entity or entity controlled by that shareholder; (b) is a member of the Board of Directors; or of the Company's general management or shareholder exercising control over the Company or any other legal entity or entity controlled by a shareholder exercising control over the Company; c) an employee or auditor of the Company or a shareholder exercising control over the Company; (d) is a spouse or relative of the first degree with one of the natural persons referred to in (a) to (c) above.

The appointment and revocation of a shareholder's representative is made in writing and notified to the Company in the same formats, at least two (2) days prior to the date of the General Meeting (04.02.2019). The Company will make available on its website (www.eyath.gr) the form that can be used to appoint a representative. This form is filled in and signed by the shareholder at the Company's Shareholders &

Corporate Announcements Department at 98 Tsimiski, Thessaloniki, PO 546 22, 3rd floor or sent to fax: 2310-250642 or email: investors@eyath.gr , at least two (2) days prior to the date of the General Meeting. The beneficiary is requested to confirm the successful sending of the representative appointment form and his receipt by the Company by calling: 2310-966925. The Company's Articles of Association do not provide for the possibility to participate in the General Meeting by electronic means, without the physical presence of the shareholders at the place of its holding or the possibility of remote participation of the shareholders in the voting
