

Appointment of Market Maker

“BriQ Properties R.E.I.C.” (hereinafter referred to as the “Issuer”) announces that the Stock Markets’ Steering Committee of the Athens Stock Exchange (hereinafter referred to as), by means of its decision dated September 5, 2019, approved the appointment of “Eurobank Equities S.A.” as the Market Maker of the Issuer's shares in order to enhance their liquidity and, also, set the 9th of September 2019 as the starting date of the market making. The Issuer, according to the provisions of the Athens Stock Exchange’s Regulation, has executed the relative market making agreement with Eurobank Equities S.A. including the following basic terms:

1. Eurobank Equities S.A will import into the Trading System of the ATHEX market making orders on the Issuer's shares (namely simultaneous buy and sell orders) for its own account, in accordance with the specific provisions in the Law in force. For this service, the Issuer will pay a fee to Eurobank Equities S.A
2. The market making agreement has duration of one (1) year commencing from the start date of the market making of the Issuer’s shares.
