FOLLOWING A QUERY OF THE CAPITAL MARKET COMMISSION**

Following a query of the Capital Market Commission in relation to Press publications, «MARFIN INVESTMENT GROUP HOLDINGS SOCIÉTÉ ANONYME» («the Company») hereby confirms that it has been the recipient of a conditional non-binding expression of interest by «EMMA CAPITAL LIMITED» for the acquisition of up to the entire stake held by the Company (92.1%) in «VIVARTIA HOLDINGS S.A.». The Company has already informed the interested party that is not currently in the position to enter into any discussions on the content of the afore-mentioned non-binding expression of interest, given that, as already announced to the investors (on 1.8. and 8.8.2019), it is in exclusive discussions with investment funds relating to the refinancing of its corporate debt, in the context of which usual in such occasions information is provided for the conduct of financial and legal due diligence. The Company will proceed to announcements to the investors as soon as any information required to be disclosed arises.
