

Thessaloniki, 5/9/2019

“Port Authority of Thessaloniki S.A.” (hereafter the “Port”) announces that on the 4/9/2019, a Contract has been signed, between the Port and the joint venture “HILL INTERNATIONAL N.V. – ROGAN ASSOCIATES S.A.”, for the “Study update and Project Management for the expansion of the port infrastructure of Pier 6”, a Project that is part of the Mandatory Investments of total cost of € 180mil., as those are undertaken by the Port.

The said Contract has a duration of 46 months, while the joint venture will provide, under the supervision and final approval of the Port, the below services:

a) Preparation and drafting of the Final Study Plan for the “Expansion of the port infrastructure of Pier 6”, including the bidding documents for the assignment for the construction of the Project.

b) Project Management and supervision of the construction of the said Project.
