

PRESS RELEASE

Trastor diversifies its portfolio by acquiring a logistics centre in Aspropyrgos

Trastor REIC (the “Company”), announces the acquisition of a logistics centre located in the area of “Melissia” in Aspropyrgos. The total surface area is 5,678.86 sq.m. and consists of a ground floor warehouse and one office floor.

The acquisition price is € 3,073,350. The property is fully let.

Tassos Kazinos, CEO of the Company, made the following statement:

“With the acquisition of this property located in the centre of the Aspropyrgos area we are adding the first logistics centre in our Company’s portfolio. Trastor enhances its portfolio with a new asset category while continuing to invest in prime properties. Committed to our investment strategy we invest in a well-planned manner by taking advantage of opportunities that arise. In this way we keep creating a portfolio of high-quality assets, adding value, dispersion, and remaining focused on responsible growth.”
