Press Release

BriQ Properties REIC acquires land plots in Aspropyrgos

BriQ Properties R.E.I.C. announces that on June 2, 2020 it acquired two adjacent land plots of 57.529 sq.m. total area, located in Aspropyrgos, Attica.

The total purchase price for the two properties amounts to € 3.456.000.

The Company plans to develop in the above properties a modern logistics warehouse facility. Subject investment was funded by the net proceeds of the Company's share capital increase.
