Press Release

FIRST HALF 2020 RESULTS

In the first half of 2020, the consolidated turnover amounted to Euro 6.2 million from Euro 6.8 million over the same period in 2019, mainly on the back of Covid-19 impact. Profit after tax in H1 2020 reached Euro 0.9 million compared to Euro 0.6 million in the same period last year, notwithstanding a one-off expense of Euro 0.7 million that negatively affected profitability in H1 2019.
