

AMBROSIA CAPITAL

Ambrosia Capital is a London based, FCA regulated brokerage firm, acting as a one-stop shop for our Institutional Clients' day to day trading activities, with Global execution capabilities in over 60 markets, clearing and settlement in 35 markets.

In the most recent Institutional Investor 2020 Survey, the investment community ranked Ambrosia Capital as the number one Leading Brokerage Firm for Greece. Ambrosia Capital secured the top positions in all individual categories:

#1 for Greece Equity Research
#1 for Greece Equity Sales

In addition, we advise corporates in raising capital across the capital structure and/or identifying strategic solutions. We are the primary point of contact for investors particularly when discretion and execution is of utmost importance.

Ambrosia Capital seeks to advise Institutional Investors and facilitate deals across the capital structure for listed and non-listed entities:

- Secondary Capital Markets – Ambrosia Capital offers execution/trading services in stocks, bonds, futures etc.;
- Advisory Services/Other Corporate Actions (Debt restructurings, NPL restructuring/sales, private capital raising, etc);
- Equity Offerings (IPO's, Secondary offerings, Placements, etc.);
- Debt Offerings (Bond issuance, Bilateral loans, Tradable securities, etc.).
