

Barclays is a British universal bank. We are diversified by business, by different types of customers and clients, and by geography. Our businesses include consumer banking and payments operations around the world, as well as a top-tier, full service, global corporate and investment bank, all of which are supported by our service company which provides technology, operations and functional services across the Group.

Our purpose is creating opportunities to rise. We support sustainable and inclusive growth by connecting the ideas, innovations and aspirations of our customers and clients to the capital that can bring them to life. For over 325 years we have funded progress, and today we remain committed to helping make our world more sustainable, more inclusive and more connected.
