I. In addition, the shareholders are given the opportunity to participate themselves or their representatives remotely in the voting on the topics of the agenda that will be held before the ordinary general meeting. In particular, shareholders wishing to participate remotely in the voting on the topics of the ordinary general meeting to be held before the general meeting, can make use of this option:

a) either by exercising the right to vote before the regular general meeting through the online platform <http://www.athexgroup.gr/AXIAeShareholdersMeeting> in which they will have previously created an account and have successfully registered as described above, during the period from 1.5.2021 at 11:00 a.m. and no later than twenty-four (24) hours before the date of the general meeting (i.e., no later than 11:00 am on 4.5.2021).

b) or by completing and submitting to the Company the "Form of Voting Letter", which the Company will make available on its website www.papoutsanis.gr. This form must be sent to the Company completed in all its parts and signed by the person entitled to participate in the general meeting, in accordance with the included specific instructions for the completion, signing and submission, or as a scanned electronic document by e-mail to the e-mail address a.georgiadis@papoutsanis.gr, with the subject "Voting Letter - General Meeting 5.5.2021", either by fax to the number 2262071932 addressed to the responsible of the Shareholding Service, or by post to the Company in the Service Department Company, at the address 71st km of the National Road Athens-Lamia, Vathi Avlidos of the Municipality of Chalkida so that it will be received at least twenty four (24) hours before the date of the General Meeting (i.e. no later than 11:00 am. on 4.5.2021).

Shareholders who vote according to the above before the general meeting are counted for the formation of the quorum and majority, only if the relevant votes have been received by the Company **no later than 11:00 am. on 4.5.2021.**

It is pointed out that the shareholders who wish to appoint representatives to participate remotely in the voting on the topics of the General Meeting to be held before the General Meeting, will be able to appoint **up to one (1) representative**, whose appointment must be realized at least forty eight (48) hours before the date of the General Meeting (i.e. no later than 11:00 a.m. on 3.5.2021), as specifically stated below. After this deadline it will not be possible to participate through a representative in the voting that will take place before the General Meeting.

II. In case the quorum required by law and the Articles of Association for the discussion and decision on the above topics is not reached, during the Repeat Ordinary General Meeting of the 12th.5.2021 the right to participate remotely in the ordinary general meeting by voting letter must be exercised anew before the repeat ordinary general meeting, in the following ways:

a) by exercising the right to vote before the ordinary general meeting through the internet platform www.athexgroup.gr/AXIAeShareholdersMeeting in which they will have previously created an account and have successfully registered as mentioned above, during the period from 8.5.2021 at 11:00 a.m. and no later than twenty-four (24) hours before the date of the general meeting (i.e., no later than 11:00 am on 11.05.2021).

b) or by completing and submitting to the Company the "Form of Voting Letter", which the Company will make available on its website <http://www.papoutsanis.gr/>. This form must be sent to the Company completed in all its parts and signed by the person entitled to participate in the general meeting, in accordance with the specific instructions for the completion, signing and submission, which are included in it, or send the scanned document by e-mail to the e-mail address a.georgiadis@papoutsanis.gr, with the subject "Form of Voting Letter - General Meeting 12.05.2021", either by fax at No 2262071932 to the shareholder service responsible, or by post to the Company in the Service Department of the Shareholder, at the address 71st km of the National Road Athens-Lamia, Vathi Avlidos of the Municipality of Chalkida so that it will be received at least twenty four (24) hours before the date of the General Meeting (i.e. no later than 11:00 am on 11.05.2021).

Shareholders who vote according to the above before the General Meeting are counted for the formation of the quorum and the majority, only if the relevant votes have been received by the Company **no later than 11:00 am. on 11.05.2021.**

In case of a Repeat General Meeting on 12.05.2021, shareholders who had not appointed a representative at the initial General Meeting or shareholders wishing to replace the representative they had appointed, in order to participate remotely in the vote to be held before the Repeat General Meeting, they may appoint up to one (1) representative, whose appointment must be realized at least forty eight (48) hours before the date of the meeting of the Repeat General Meeting (i.e. no later than 11:00 am of 10.05.2021), as specifically mentioned below. After this date it will not be possible to participate through a representative in the voting that will take place before the Repeat General Meeting.

The eligible participant is invited to take care of the confirmation of the successful sending of the representative appointment form (or of the electronic authorization) and its receipt by the Company by calling the shareholder service department (Mr. Alexandros Georgiadis), at tel. No 2262085000.

EXERCISE OF VOTING RIGHT THROUGH A REPRESENTATIVE

The person entitled according to the above to participate in the general meeting can also participate in it through representatives. Each eligible participant may appoint up to three (3) representatives. The restriction applies per securities account, i.e., if a shareholder holds shares of the Company which appear in more than one securities account, this restriction does not prevent the shareholder from appointing up to three representatives for the shares appearing in each securities account in relation to a certain general meeting. A representative acting for more eligible voters may vote separately for each of them.

However, especially for the participation in the ordinary general meeting on 5.5.2021 or in its remote repetition in real time through teleconference, or for the participation of the shareholder through a representative in the voting on the topics of the General Meeting to be held before the General Meeting (by a voting letter), the shareholder may appoint only one representative.

The power of attorney can be freely revoked.

The person entitled to participate may appoint a representative for one single general meeting or for any number of meetings that may take place within a certain time. The representative votes according to the instructions of the person that represents, if any, and files the voting instructions for at least one (1) year, from the date of the general meeting or, in case of postponement, of the last repeat meeting where the power of attorney was used. Non-compliance of the representative with the received instructions does not affect the validity of the decisions of the general meeting, even if the vote of the representative was decisive for their adoption.

The shareholder representative is obliged to notify the Company before the beginning of the general meeting, of any specific event, which may be useful to the shareholders to assess the risk of the fact that the representative will serve other interests except the interests of the shareholder. For the purposes of this paragraph, a conflict of interest may arise in particular when the representative:

- a) is a shareholder exercising control of the Company or another legal entity or entity controlled by that shareholder;
- b) is a member of the board of directors or in general of the management of the Company or of a shareholder who exercises control of the Company or of another legal entity or of an entity controlled by a shareholder who exercises control of the Company;
- c) is an employee or auditor of the Company or a shareholder who exercises control over the Company or of another legal entity or of an entity controlled by a shareholder who exercises control of the Company;
- d) is a spouse or first degree relative with one of the natural persons of cases a' to c'.

On the third topic "Approval of the overall management of the Company in accordance with article 108 of Law 4548/2018 and discharge of the certified auditors of the Company in accordance with article 117 par. 1 (c) of Law 4548/2018, for the year 2020" members of the Board of Directors are entitled to participate only with shares of which they are owners, or as representatives of other shareholders, provided that they have received relevant authorization with explicit and specific voting instructions. The same applies to the employees of the Company.

On the fifth topic "Election of auditors for the audit of the annual financial and consolidated financial statements of the Company for the year 2021 and determination of their remuneration" members of the board of directors can participate, since the board of directors, including the independent members, unanimously propose to assign auditing according to the draft decision.

APPOINTMENT OF DEPUTY OR REPRESENTATIVE OR WITHDRAWAL OF THEM

The appointment of a representative or deputy and their revocation is realized only in writing and is notified to the Company at least 48 hours before the date of the meeting of the general meeting. Upon receipt of the above information from the Company and based on the e-mail address and the mobile phone of the representative or deputy, as stated in the appointment form of the representative or the deputy, the Company creates an account of the representative or deputy on the electronic platform, who will be notified by e-mail in order to activate his account in order to be able to exercise the rights of the shareholder in accordance with the above.

If the person entitled to participate did not comply with the above regarding the appointment of the representative or deputy and the postage of the relevant supporting documents to the Company, as defined above, he is entitled to participate in the general meeting, unless the general meeting refuses this participation for an important reason justifying its refusal.

The Company will make available on its website www.papoutsanis.gr (a) the form that can be used by the shareholders for the appointment of a representative or deputy in order to vote in real time through teleconference, and (b) the form that can be used by the shareholders for the appointment of a representative or deputy for the voting on the topics of the General Meeting to be held before the General Meeting (by a voting letter). The form for the appointment of a representative or deputy must be sent to the Company completed in all its parts and signed by the person entitled to participate in the general meeting, with the authenticated signature if the shareholder is a natural person or together with the legal documents if the shareholder is a legal entity or corporation, as well as a two sided photocopy of the identity card or passport of the representative and the deputy, in accordance with the specific instructions for the completion, signing and submission which are included in it, by e-mail as a scanned document at the address a.georgiadis@papoutsanis.gr, with the subject "Appointment of a representative general meeting 5.5.2021", or by fax to the tel. No 2262071932 to the attention of the Shareholder Service Manager, or by post to the Company at the Shareholder Service Department of the Company, at the address 71st km of National

Road Athens-Lamia, Vathi Avlidos of the Municipality of Chalkida in any case in order to arrive at least 48 hours before the date of the general meeting.

Alternatively, instead of submitting the form for the appointment of a representative or deputy, the shareholders may complete and publish an electronic authorization through the electronic authorization application of gov.gr (<https://www.gov.gr/ipiresies/polites-kai-kathemerinoteta/upeuthune-delose-kai-exousiodotese/ekdose-exousiodotese>) as provided therein. For this purpose, the Company will post on the website www.papoutsanis.gr: (a) a standardized authorization text that can be used by the shareholders for the appointment of a representative or deputy in order to vote remotely in real-time through teleconference, and (b) a standardized power of attorney that can be used by shareholders in order to appoint a representative or deputy to vote on the topics of the general meeting to be held before the general meeting (by a voting letter). The electronic authorization must be sent to the Company, together with the legalization documents, if the shareholder is a legal entity or a corporation, as well as a two sided photocopy of the identity card or passport of the representative and the deputy, or by e-mail to a. georgiadis@papoutsanis.gr, with the subject "Appointment of a representative general meeting 5.5.2021", or by fax No 2262071932 for the attention of the shareholder service responsible, or by mail to the Company at the Company's Shareholder Service Department, at 71st km. Athens-Lamia Road, Vathi Avlidos of the Municipality of Chalkida to be received in any case at least 48 hours before the date of the general meeting.
