PRESS RELEASE OF CENERGY HOLDINGS SA

Brussels, 4 October 2021

The enclosed information constitutes regulated information as defined in the Royal Decree of 14 November 2007 regarding the duties of issuers of financial instruments, which have been admitted for trading on a regulated market.

In response to a relevant query of the Hellenic Capital Market Commission with no. 2298/04.10.2021 and with reference to an electronic news article, Cenergy Holdings SA (the Company) informs investors that it is constantly exploring possible co-operations aiming at utilizing its assets and know-how in the submarine cable industry as well as investing in new business opportunities with an ultimate goal of best serving its corporate interest.

In this context, the possibility of a partnership with Ørsted, world leader in offshore wind development, for the establishment of a submarine inter array cable factory in the State of Maryland, USA, is examined. The partnership, the terms of which are in the process of being formulated, is conditional upon Ørsted being awarded an offshore wind farm development project in the same State - an award that is expected to be decided in December this year.

The Company, in accordance with capital markets law, will inform investors of any significant development.
