## Press Release

December 29<sup>th</sup>, 2021

### Listings and Market Operation Committee - Athens Stock Exchange (ATHEX)

---

We inform you that, due to the low dispersion and non-participation of ATTICA BANK shares to indices of ATHEX, and in order to maintain the smooth operation of the market, the Athens Stock Exchange will take the following actions regarding the derivatives and the Securities Lending Mechanism on the said share:

(a) In the first stage, the Market Makers obligations in the Derivative product of ATTICA BANK will be suspended from Thursday, December 30, 2021 until Tuesday, January 4, 2022, so that there will be no difficulty in fulfilling their obligations. In addition, for reasons of market protection, from Thursday, December 30, 2021, there will be a cessation of trading in the derivatives series for which there are no open position. Finally, according to article 2.6.13 of the ATHEX Regulation, on Thursday, December 30, 2021, there will be a cessation of Lending transactions and compulsory Exercise of Positions of the Securities Lending Mechanism products on the shares of the company.

(b) In the second stage, the series of Derivative Products will be deleted in accordance with article 2.6.12 of the ATHEX Regulation. The deletion of the Derivatives series will take place on Tuesday, January 4, 2022, after the end of the trading session. For the calculation of the settlement obligations of the counterparties during the physical delivery, the last published price of the underlying value before the deletion of the product will be taken into account.
