

Management Team Update
Appointment of new Chief Retail Officer

OPAP announces that Ilias Katsaros has been appointed as new Chief Retail Officer and member of our Top Management Team, as of March 1, 2022.

Ilias has a diverse professional background with a career of more than 20 years in the USA, Greece, and Germany. He has held senior roles in various commercial functions in companies both domestically and internationally, aiming now in OPAP to maintain the strong position of our retail network, as well as explore and leverage growth opportunities for our company and partners, in line with our Fast Forward business strategy.

The company would like to welcome Ilias to the OPAP team and wish him good luck and success in his new role.
