In case the required quorum is not achieved, the Repeat General Assembly will take place on Tuesday, June 28th and at 11:00 am in the same way.

According to article 121 par. 4 of law 4548/2018, the Company informs its shareholders about the following:

A. RIGHT TO PARTICIPATE AND VOTE IN THE ORDINARY GENERAL ASSEMBLY

Shareholders of the Company’s ordinary shares appearing in the registry of the Dematerialized Securities System (“DSS”) administrated by the HELLENIC CENTRAL SECURITIES DEPOSITORY S.A. have the right to participate in the General Assembly. Proof of shareholder’s capacity is verified electronically through the Company’s online connection to the DSS. The shareholder’s capacity must exist at the start of 17/06/2022 (“Record Date”), i.e. the fifth (5th) day before the date of the General Assembly.

For the Repeat General Assembly of June 28th, 2022, the shareholder's capacity must exist at the start of 17/06/2022 (Record Date), i.e. the 5th day before the initial General Assembly date (article 124 par. 6 of law 4548/2018, as the date of the Repeated Assembly is not more than thirty (30) days apart from the initial General Assembly).

The Company considers as shareholder having the right to participate in the General Assembly and to exercise the right to vote the person registered on the Record Date in the Dematerialized Securities System (DSS) of the societe anonyme "ELLINIKO KENTRIKO APOTHETIRIO S.A." (EL.K.A.T.) or the one identified as such based on the relevant date through registered intermediaries or other intermediaries in compliance with the provisions of the legislation (Law 4548/2018, Law 4569/2019, Law 4706/2020 and Regulation (EU) 2018/1212) as well as the Operating Regulations of the Hellenic Central Securities Depository (Government Gazette B / 1007 / 16.03.2021).

The proof of shareholder status is made by any legal means and in any case based on information received by the Company until before the start of the General Assembly by EL.K.A.T. or through the above intermediaries in accordance with the above provisions. A shareholder may participate in the General Assembly on the basis of confirmations or notifications of Articles 5 and 6 of Regulation (EU) 2018/1212 provided by an intermediary, unless the General Assembly refuses this participation for good cause that justifies its refusal in compliance with the provisions in force. (art. 19 par. 1 L. 4569/2018, art. 124 par. 5 L. 4548/2018).

The exercise of the said rights does not require the blocking of the beneficiary's shares or any other process, which restricts the shareholders' ability to sell and/or transfer shares during the period between the Record Date and the General Assembly.

Shareholders who do not comply with the deadline of par. 4 of article 128 of Law 4548/2018, i.e. did not submit in writing or by electronic means the appointment of a representative or proxy in the Company, at least forty eight (48) hours before the specified date of the meeting of the General Assembly, participate in the General Assembly, unless the General Assembly refuses this participation for good cause that justifies its refusal.

B. MINORITY SHAREHOLDERS' RIGHTS

In view of the Company's Shareholders' General Assembly on 22/06/2022, herebelow there is detail information about the shareholders' rights in accordance with par. 2, 3, 6 and 7 of law 4548/2018.

(a) Shareholders representing one twentieth (1/20) of the paid-up capital, may, at their request, which must be submitted to the Board of Directors at least fifteen (15) days before the General Assembly, i.e. by 07/06/2022, ask the Board of Directors to include in the Agenda of the General Assembly additional items. The revised agenda is published in the same way as the previous agenda, thirteen (13) days before the date of the General Assembly, i.e. by 9/06/2022 and at the same time it is made available to the Shareholders on the Company's website, together with the justification or the draft decision that has been submitted by the shareholders according to the provisions of paragraph 4 of article 123 of law 4548/2018.

If these additional items are not published, the requesting Shareholders are entitled to request the postponement of the General Assembly in accordance with paragraph 5 of article 141 of law 4548/2018 and to make the publication themselves at the expense of the Company.

b) Shareholders representing one twentieth (1/20) of the paid-up capital have the right to submit draft decisions on items included in the initial or any revised Agenda of the General Assembly. The relevant application must be submitted to the Board of Directors at least seven (7) days before the date of the General Assembly, i.e. by 15/06/2022, and the draft decisions are made available to the

shareholders as defined in paragraph 3 of article 123 of Law 4548/2018, at least six (6) days before the date of the General Assembly, i.e. by 16/06/2022.

c) At the request of any shareholder, submitted to the Company at least five (5) full days before the General Assembly, i.e. by 16/06/2022, the Board of Directors may be requested to provide the General Assembly with the requested specific information on the affairs of the Company, in so far as they are relevant to the items on the Agenda. The Board of Directors may refuse to provide the relevant information when it is already available on the Company's website, in particular in the form of questions and answers.

Also, at the request of shareholders, representing one twentieth (1/20) of the paid-up capital, the Board of Directors may be requested to announce to the Ordinary General Assembly the amounts paid during the last two years to each member of the Board of Directors or their directors of the Company, as well as any disposal to these persons for any reason or under any contract of the Company with them.

In all the above cases, the Board of Directors may refuse to provide the information for a substantial reason, which is recorded in the minutes. In the cases of this paragraph, the Board of Directors may respond uniformly to shareholders' requests with the same content.

d) At the request of shareholders, representing one tenth (1/10) of the paid-up capital, which is submitted to the Company at least five (5) full days before the General Assembly, i.e. by 16/06/2022, the Board of Directors may be requested to provide the General Assembly information on the progress of corporate affairs and the assets of the Company. The Board of Directors may refuse to provide the information for a substantial reason, which is recorded in the minutes.

In any event, in exercise of the relevant right, the Shareholders must prove their shareholder status and, except for the first indent of paragraph c above, the number of shares they hold. Proof of shareholder status may be evidenced by any legal instrument and, however, on the basis of information received by the Company from the Dematerialized Securities System ("DSS"), provided it provides registry services, or through the participants and registered intermediaries in the Dematerialized Securities System ("DSS") in any other case.

These minority rights may also be exercised by associations of shareholders in their own name but on behalf of their members if their members have the number of shares required to exercise the rights. A minority right is not considered the right that can be exercised by each Shareholder. The association must have communicated its valid constitution and its articles of association to the Company of which the Shareholders are its members one month before exercising the above rights. The statement of exercise right must indicate the names of the shareholders, on whose behalf the right is exercised.

C. PROCEDURE FOR PROXY VOTING

Shareholders may participate in the General Assembly and vote either in person or by proxy. Each shareholder, individual or legal entity, may appoint up to three (3) proxies for only one General Assembly only or for any Assemblies that take place within a specific timeframe. In cases where a shareholder owns Company shares that are held in more than one Investor Securities Account, the above limitation does not prevent the shareholder from appointing separate proxies for the shares appearing in each Account. The proxy can be freely revoked. A person holding proxies from several shareholders may cast votes differently for each shareholder.

Proxies cast their votes according to the Shareholders' instructions, given that such are provided, and are obliged to record the voting instructions for at least one (1) year following the submission of the General Assembly's Minutes to the relevant Authority or if a Resolution is released publicly from the date of its registration to the Registry of Societe Anonyme Companies. The non-compliance of a Proxy to instructions provided by the Shareholder does not affect the validity of the General Assembly's resolutions even if the Proxy vote was decisive for such resolution. The provisions of

article 128 par. 4 and 5 of law 4548/2018 apply to the appointment and revocation or replacement of the representative and the obligations of the shareholder's representative.

Before the commencement of the General Assembly, the proxy must disclose to the Company any particular facts that may be of relevance for shareholders in assessing the risk that the proxy may pursue interests other than those of the shareholder.

A conflict of interest in the sense of the present paragraph, may arise in particular when the proxy:

- a) is a controlling shareholder of the Company or is another person or entity controlled entity by such shareholder;
- b) is a member of the Board of Directors or of the Management of the Company or of a controlling shareholder of the Company or a controlled entity by such shareholder;
- c) is an employee or an auditor of the Company, or of a controlling shareholder or a controlled entity by such shareholder;
- d) is the spouse or a close relative (1st degree) of any natural person referred to in (a) to (c) hereinabove.

A proxy is appointed or revoked in writing and is disclosed to the Company also in the same manner, at least two (2) days prior to the date of the General Assembly, or, in the case of shareholders identified through intermediaries, through confirmations or notifications of articles 5 and 6 of Regulation (EU) 2018/1212 provided by the intermediaries.

Specifically for the participation of the shareholder through a representative in the General Assembly of June 22, 2022 or any Repeat General Assembly, via real time teleconference, or for the participation of the shareholder through a representative in the voting on the items of the Agenda of the General Assembly taking place before the General Assembly, the shareholder or the Participant of the Securities Account in the DSS or another broker acting as custodian of the shareholder through whom his shares are held, may appoint up to one (1) representative, whose appointment is required to be made at least forty eight (48) hours before the date of the General Assembly.

Upon receipt of the above information from the Company and based on the e-mail address (email) and the mobile phone of the representative as stated in the representation form, the Company creates the account of the representative on the electronic platform which will be notified via e-mail so that the representative can activate his account in order to be able to exercise the rights of the shareholder.

The Company has posted on its website: <https://www.terna-energy.com/enimerosipendyton/enimerosi-metoxon/genikes-sineleuseis/>, the form to be used for the appointment of a Representative.
