### **Rebase of FTSE/ATHEX Index**

Aiming to increase the functioning, readability and effectiveness of FTSE/ATHEX Index Series, Athens Exchange and FTSE Russell - following a treatment that has been applied in the past for other FTSE/ATHEX Index Series – decided to **rebase FTSE/ATHEX Retail Index** (ISIN: GRI99133A001) by multiplying its current value by 20, after the close of business **on Friday June 17<sup>th</sup> 2022**.

Clients with historic database values should apply the rebasing after the close of business on **Friday June 17<sup>th</sup> 2022**, and before start of business on **Monday June 20<sup>th</sup> 2022**, to ensure that records remain accurate.

Open, High, Low and Close Price for the index will also be affected while no official historic values will be issued.
