ATHEX ESG Index - Ground Rules Update

The Athens Stock Exchange today announces the modification of ATHEX ESG Index review period from annual to semi-annual basis. The modification is aiming to strengthen the representativeness of the Index through the further mobilization of the investment community and the listed companies in the quality dissemination of Non-Financial Information.

The review of index composition will take place every six months, as follows:

- **1st Review**, with the deadline for submission of data on April 30th
- **2nd Review**, with the deadline for submission of data on October 31st

with implementation date after the close of business of the 3rd Friday of

- June for the 1st Review
- December for the 2nd Review

The updated version of the Index Ground Rules (v. 1.1) is available [here](#).
