Double award for Space Hellas “Partner of the Year” & Excellence in Customer Experience” by Dell Technologies

Space Hellas was awarded for the fourth time with the distinction “Partner of the Year”, as well as “Excellence in Customer Experience” at the annual “Dell Technologies Partner Awards 2022” event organized by the company to honor and recognize the efforts of its partners in Greece, Cyprus and Malta. The ceremony was held on a special evening in the presence of Dell Technologies partners, on July 07.

The high distinction “Partner of the Year 2021” awarded to Space Hellas among Dell Technologies partners, represents the excellent results of the previous year and the support of the best solutions given to the needs of its customers for the region of Greece.

The “Excellence in Customer Experience” recognition, rewards Space Hellas for the unique end-to-end service experience it provides to Dell Technologies products and solutions, applying high expertise and inspiring its customers with trust and loyalty.

Space Hellas maintains the commitment of Dell Technologies, “together we stop at nothing”, providing its customers with the most modern digital transformation solutions and strengthening the impressive course of the long-term cooperation of the two companies.

Mr. Aleksandar Preradovic, Managing Director of Dell Technologies for Greece, Cyprus and Malta stated in this regard: “I am particularly pleased to see that for the fourth time, Space Hellas has been declared “Partner of the Year”, while at the same time it has been awarded the title of “Excellence in Customer Service”. Significant annual growth and increased revenues, especially in the CSG and Storage sectors, have truly consolidated the company's position between Titanium Tier Partners”.

The CEO of Space Hellas, Dr Ioannis Mertzanis, stressed: «It is a great honor for us to receive for another year two such important awards from Dell Technologies, which recognize teamwork and hard work to provide our customers with the best possible solutions, but also to further deepen our relationship with Dell Technologies from the highest level of the “Titanium Partner” we have accomplished.
