

Scrip dividend take-up

OPAP announces that the scrip dividend option was welcomed by 2,040 shareholders selecting to reinvest into the company, resulting in a take up of c.61.41% of total outstanding share capital, excluding treasury shares.

Moreover, it is noted that Allwyn International a.s., OPAP's largest shareholder, also selected the scrip option with all of its controlling shares. Consequently, following the full participation in scrip dividend and acquisition of shares on the open market, Allwyn International's total current ownership of the company's total outstanding share capital stands at 49.80%.

On Monday, 8 August 2022, the cash payment will commence, while 7,423,668 new shares will start trading.
