QUALIFIED CERTIFICATE FOR WEBSERVER AUTHENTICATION SUBSCRIBER AGREEMENT

IMPORTANT - PLEASE READ THIS QUALIFIED CERTIFICATE FOR WEBSERVER AUTHENTICATION SUBSCRIBER AGREEMENT ("AGREEMENT") BEFORE APPLYING FOR, ACCEPTING, OR USING ANY HELLENIC EXCHANGES – ATHENS STOCK EXCHANGE S.A. SSL CERTIFICATE. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT APPLY FOR, ACCEPT, OR USE THE CERTIFICATE. BY ACCEPTING OR USING A CERTIFICATE, YOU AGREE TO BECOME A PARTY TO, AND BE BOUND BY, THESE TERMS.

AS USED IN THIS AGREEMENT, "COMPANY" MEANS, AS APPLICABLE, HELLENIC EXCHANGES – ATHENS STOCK EXCHANGE S.A.

PLEASE NOTE THAT COMPANY RESERVES THE RIGHT TO CHANGE THE COMPANY ENTITY PARTICIPATING IN THIS AGREEMENT BY NOTICE TO YOU, AS DESCRIBED IN THIS AGREEMENT.

1. Processing the Certificate Application.

- i) The Certificate for which you have applied on behalf of your organization is a qualified certificate for webserver authentication, which is used to support SSL/TLS sessions between a web browser and web server using encryption.
- ii) Upon Company's receipt of the necessary payment and upon completion of authentication procedures required for the Certificate you have selected, Company will process your Certificate Application. If your Certificate Application is approved, before Company can issue you a Certificate, you must submit your Certificate Signing Request ("CSR") in a format specified by the CA. If Company does not receive your CSR within twelve (12) months from the day your Certificate Application is approved and a certificate is otherwise ready for issuance, your Certificate Application approval will automatically expire.
- iii) If your Certificate Application is approved, and you submit a valid CSR, Company will issue you a Certificate for your use in accordance with this Agreement. After you pick up or otherwise install your Certificate, you must review the information in it and promptly notify Company of any errors. Upon receipt of such notice, Company may revoke your Certificate and issue you a corrected Certificate.

2. Use and Restrictions.

- i) You may install the Certificate only on servers that are accessible at the subjectAltName(s) listed in the Certificate.
- ii) You are prohibited from using your Certificate: (i) for or on behalf of any other organization; (ii) to perform private or public key operations in connection with any domain and/or organization name other than the one you submitted on your Certificate Application; (iii) on more than one physical server or device at a time, unless Subscriber has purchased a Certificate that explicitly includes additional or unlimited server licenses; (iv) for use as control equipment in hazardous circumstances or for uses requiring fail-safe performance such as the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control systems, or weapons control systems, where failure could lead directly to death, personal injury, or severe environmental damage. You acknowledge and agree that this option can result in increased security risks to your network and that Company expressly disclaims any liability for breaches of security that result from the distribution of a single key across multiple devices.

COMPANY CONSIDERS THE UNLICENSED USE OF A CERTIFICATE ON A DEVICE THAT RESIDES ABOVE A SERVER OR SERVER FARM PIRACY AND WILL PURSUE VIOLATORS TO THE FULLEST EXTENT OF THE LAW.

3. Reporting and Revocation.

If you discover or have reason to believe there has been a compromise of your private key, or the information within your Certificate is, or has become, incorrect or inaccurate, or if your organization name and/or domain name registration has changed, you must immediately cease using the Certificate and its associated private key,

and you must promptly request Company to revoke the Certificate. If Company discovers or has reason to believe that there has been a compromise of your private key or misuse of your Certificate, you must respond to Company's instructions within the time specified by Company. Company retains the right to revoke your Certificate at any time without notice if: (i) Company discovers that the information within your Certificate is no longer valid; (ii) you violate or fail to perform your obligations under the terms of this Agreement; or (iii) Company determines in its sole discretion that the continued use of your Certificate may compromise the security or integrity of the PKI or the Company. Company may also revoke your Certificate for non-payment.

5. Obligations upon Revocation or Expiration.

Upon expiration or notice of revocation of your Certificate, you shall promptly remove your Certificate from all devices on which it is installed and shall not use it for any purpose thereafter.

6. Term of Service.

This Agreement shall remain in effect until your Certificate has expired or is earlier revoked.

7. Representations and Warranties.

7.1 Company Representations and Warranties. Company represents and warrants that (i) there are no errors introduced by Company in the Certificate information as a result of Company's failure to use reasonable care in creating the Certificate; (ii) its issuance of Certificates shall comply in all material respects with its CPS; and (iii) its revocation services and use of a Repository conform to its CPS in all material aspects.

7.2 Your Representations and Warranties. You further represent and warrant that you have sufficient information to make an informed decision as to the extent to which you choose to rely on a digital certificate issued within the PKI, that you are solely responsible for deciding whether or not to rely on such information, and that you shall bear the legal consequences of your failure to perform any obligation you might have as a Relying Party under the applicable Relying Party Agreement. If your Services include malware and/or vulnerability assessment, you further represent and warrant to Company that (xi) you have the corporate power and authority to give Company consent to proceed with the assessment; if your website is managed and/or hosted by a third-party service provider, you warrant that you have obtained the consent and authorization from the service provider necessary for Company to perform the assessment.

8. Fees and Payment Terms.

As consideration for the Certificate you have purchased, you shall pay Company the applicable service fees set forth on our website at the time of your selection, or, if applicable, upon receipt of an invoice from Company. All

fees are due immediately and are non-refundable, except as otherwise stated below. All taxes, duties, fees and other governmental charges of any kind (including sales, services, use, and value-added taxes, but excluding taxes based on the net income of Company) which are imposed by or under the authority of any government on the service fees charged herein shall be borne by you and shall not be considered a part of, a deduction from or an offset against such service fees. All payments due to Company shall be made without any deduction or withholding on account of any tax, duty, charge, penalty, or otherwise except as required by law in which case the sum payable by you in respect of which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, Company receives and retains (free from any liability in respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required. This Section does not apply to you if you purchased your Certificate from a Reseller.

9. Refund Policy.

If you are not completely satisfied with the Certificate or with the Services for any reason, you may request, within thirty (30) days of Certificate Application approval, that Company revoke the Certificate (if issued), terminate the Services, and provide you with a refund. Following the initial 30-day period, you are entitled to a refund only if Company has breached a warranty or other material obligation under this Agreement.

10. Proprietary Rights.

You acknowledge that Company and its licensors retain all Intellectual Property Rights and title in and to all of their confidential information or other proprietary information, products, services, and the ideas, concepts, techniques, inventions, processes, software or works of authorship developed, embodied in, or practiced in connection with the Services provided by Company hereunder, including without limitation all modifications, enhancements, derivative works, configurations, translations, upgrades, and interfaces thereto (all of the foregoing, "Company Works"). Company may (i) revise the terms of this Agreement; and/or (ii) change part of the Services provided herein at any time. Any such change will be binding and effective thirty (30) days after publication of the change on Company's websites. Relative notifications will be sent to you by e-mail. If you do not agree with the change, you may terminate this Agreement at any time by notifying Company and requesting a partial refund of fees paid, prorated from the date of termination to the end of the service period.
