NAV per share evolution

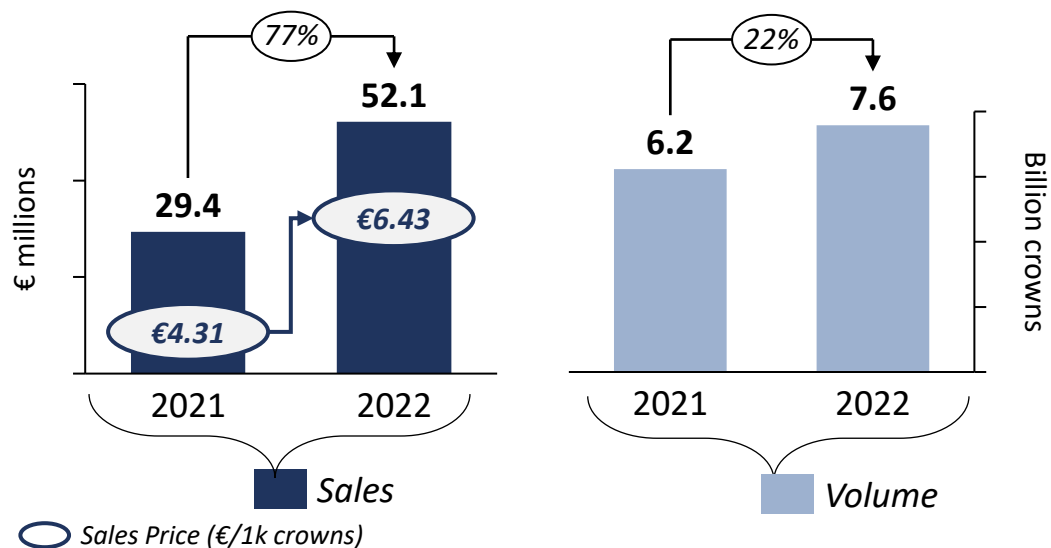

The background of the slide is a dense, overlapping field of bottle caps. The caps are primarily white and red. Many of the white caps feature the 'ASTIR' logo in a red oval at the top, followed by the word 'Vitogiannis' in a dark, sans-serif font. Below 'Vitogiannis', there is smaller, less legible text. Some of the red caps also have the 'ASTIR' logo. The overall image has a soft, slightly blurred quality, giving it a textured, busy appearance. A solid dark blue vertical bar is positioned on the far left edge of the slide.

The way forward

Industrial sector:

- ✓ *Continuous operational improvement of Coleus*
- ✓ *Explore strategic options*
- ✓ *Optimize capital structure*

IT sector:

- ✓ *Rationalize holding structure*
- ✓ *Identify new opportunities complementary to the existing products*

Overall strategy:

- ✓ *Maintain dividend policy*
- ✓ *Explore new investments vertical or horizontal.-*

Pipeline:

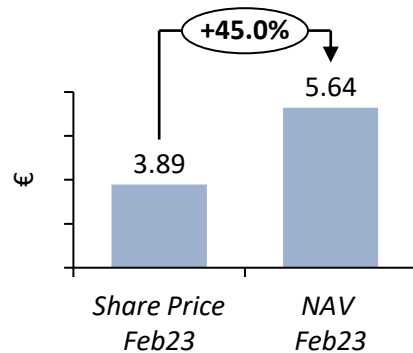

- ✓ *2 new opportunities in Industrial sector (corks)*
- ✓ *3 new opportunities in IT sector (Software, Cloud migration and IT solutions)*
- ✓ *1 new opportunity in different sector*

A hand-drawn compass rose is centered on the page. A gold arrow is drawn from the center of the compass, pointing towards the word 'INVEST' which is written in a large, bold, sans-serif font. The word 'INVEST' is positioned in the upper right quadrant of the image. The background is a light, textured surface with faint, handwritten-style text that is mostly illegible but appears to contain the word 'INVEST' repeated in various orientations. A solid blue vertical bar is located on the left side of the image.

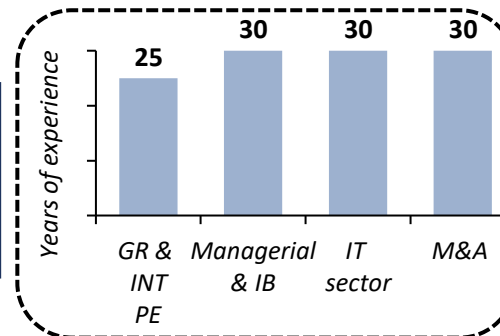

v. Why invest

Why invest in IDEAL

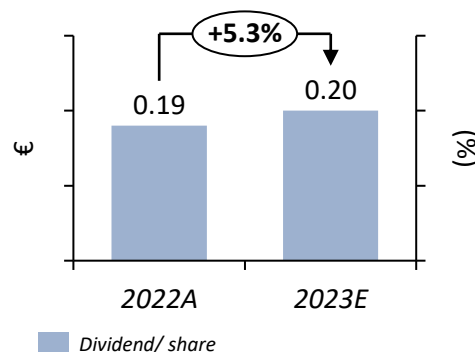

1 Discount to NAV

4 Experienced Investment team

2 Shareholder friendly Dividend policy

5 Successful Track record

3 Differentiation from Market

6 Proprietary deals

- 1 Continuous deal flow
- 2 Extensive network

Important Notice

This presentation has been prepared by IDEAL Holdings S.A. solely for informational purposes for its public stockholders in connection with evaluating the business, operations and financial results of IDEAL Holdings S.A. and its subsidiaries (collectively, "IDEAL"). This presentation is not and shall not be construed as an offer to purchase or sell, or the solicitation of an offer to purchase or sell any securities of IDEAL Holdings S.A. Also, this presentation does not constitute investment advice or recommendation concerning the purchase, sale or subscription to any securities of IDEAL Holding S.A. and cannot be the basis of any such an investment advice or recommendation provided by any person, recipient of this presentation or not, to other recipients or third parties.

This presentation may not be distributed, referenced, quoted or linked by website, in whole or in part, except as agreed to in writing by IDEAL Holdings S.A. The statements contained in this presentation are made as of the date of this presentation (other than financial figures, which are as of most recent quarter end), unless another time is specified in relation to them, and access to this presentation at any given time shall not give rise to any implication that there has been no change in the facts set forth in this presentation since that date.

This presentation contains certain forward-looking statements pertaining to IDEAL, including with respect to the companies managed and owned by IDEAL. Forward-looking statements relate to expectations, estimates, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. You can identify these forward-looking statements by the use of words such as "outlook," "believe," "think," "expect," "potential," "fair", "continue," "may," "should," "seek," "approximately," "predict," "forecast", "intend," "will," "plan," "estimate," "anticipate," the negative version of these words, other comparable words or other statements that do not relate strictly to historical or factual matters.

These forward-looking statements are based on IDEAL's beliefs, assumptions and expectations, but these beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to IDEAL or within its control. Due to various risks and uncertainties, actual events or results may differ materially from those reflected or contemplated in such forward-looking statements. Past performance is no guarantee of future results. All forward-looking statements speak only as of the date of this presentation. IDEAL does not undertake any obligation to update any forward-looking statements to reflect circumstances or events that occur after the date of this presentation except as required by law.

This presentation includes certain non-IFRS and other operating and performance measures. These non-IFRS measures are in addition to, and not a substitute for, measures of financial performance prepared in accordance with IFRS. While we believe that providing these non-IFRS measures is helpful to investors in assessing the overall performance of IDEAL's business, they may not include all items that are significant to an investor's analysis of our financial results.

In addition, information about factors affecting IDEAL, including a description of risks that should be considered when making a decision to purchase or sell any securities of IDEAL Holdings S.A., can be found in IDEAL Holdings S.A.'s Reports made public as applicable law requires.
