Pursuant to Sec 109 AktG shareholders whose shares total at least 5% of the registered capital, individually or in aggregate, may request (to the Company in writing) that items are added to the agenda of the Virtual General Meeting and are published. agenda item submitted must be accompanied by a respective resolution proposal (also in German language) and an explanation thereof.

Applicants must have held their shares for at least three months prior to the submission of their request. Deposit certificates evidencing share ownerships may not be older than seven days upon receipt by the Company and must confirm that the submitting shareholder has held the shares (5% of the registered capital) continuously for a period of at least three months prior to submission. In case of several shareholders holding the required share ownership of 5% of the share capital only in aggregate, deposit certificates of such shareholders must refer to the same record date.
