

Press Release | 04 December 2023

**EPSILON NET Group: Epsilon Smart, the most complete and reliable  
e-invoicing application for small businesses,  
arrived in Cyprus!**

**Epsilon SingularLogic Cyprus**, a subsidiary company of **EPSILON NET Group**, after evaluating the needs of very small and small businesses in **Cyprus** and the more specific requirements of Cypriot entrepreneurship, officially announces the availability of the **Epsilon Smart Cyprus** web application for electronic document issuance.

The goal of **Epsilon Smart Cyprus** is to become the most integrated Web application of the Cypriot market for small businesses and self-employed professionals. The specialized application is a unique version of the "**Epsilon Smart**" family of cloud applications with more than 100,000 subscribers in Greece.

As a **cloud** application it guarantees:

- ✓ **easy access** and use from computer, tablet and smartphone
- ✓ **easy fulfillment of all obligations** of professionals and small businesses, through an automatic interface with their accounting office to receive data and issue documents
- ✓ organization of a **business daily operations**, through a set of functions (CRM, sales, warehouse, calendar, etc.).

The solution covers all the daily operation needs of **small businesses and self-employed professionals**, while offering immediate and continuous information with automatic version updates, without requiring additional investments in equipment. Emphasizing on easy use, 100% security and remote access from any device, the solution is available on all Android and iOS devices, running on PCs, laptops, tablets, and smartphones, utilizing **Microsoft's** credibility and the technological capabilities of **Microsoft Azure**.

 Epsilon Net

It is worth mentioning that the products portfolio of **Epsilon Smart** series of the parent company in Greece is the most recognized Group's **web solution** for **Electronic Invoicing** and has already exceeded **100,000 subscriptions**, continuing on a daily basis, with a correspondingly increasing rate. As a recognition of the high level of technological and operational innovation of Epsilon Smart applications family, the solution was named the **winner** in the "Digital Opportunity/Inclusion Award (Private Sector/NGO)" category, within the **"Global Innovation and Tech Excellence Awards WITSA 2022"**, by WITSA World Innovation and Technology Services Association.

The entry of **Epsilon Smart** into the **Cypriot market** is the next stage of expansion of the EPSILON NET Group's subsidiary company after the already successful presence in the Cypriot market of the Group's business software solutions (**ERP, CRM WMS, BI, PMS**) contributing to the digital transformation of Cypriot businesses and supporting Cypriot entrepreneurship.
