**PRESS RELEASE**

---

The company named TECHNICAL OLYMPIC S.A. informs the investors that it has received from the Environmental Directorate of the Decentralized Administration of Peloponnese – Western Greece – Ionian a decision approving environmental terms (AEPO) for a 999kW biogas power plant, which it plans to develop within a privately owned area of approximately 30 acres in the Industrial Area of Patras.

The above is announced following the already declared intention of the TECHNICAL OLYMPIC S.A. group to be active in projects in the field of "green" energy.

The Company will promptly inform the investors of any status modification on this matter.
