

**Resolutions of the Annual Ordinary General Meeting of
«BriQ Properties Real Estate Investment Company Societe Anonyme»**

On 30/4/2024 the Annual Ordinary General Meeting of the Shareholders of BriQ Properties REIC was held. The General Meeting was attended by thirty-six (36) Shareholders representing twenty-three million five hundred eight thousand and eight hundred forty-six (23.508.846) common registered shares with voting rights, i.e. 65,73%, out of a total of thirty-five million eighty-two thousand five hundred sixty-three (35,382,563) shares of the Company.

The Assembly had the necessary quorum according to the law and the Statute and decided on all the items of the Agenda, as follows:

Agenda Item 1

Approval of the Company's Annual Financial Statements for the financial year 01.01.2023 - 31.12.2023, which have been prepared in accordance with IFRSs, following the relevant annual management report of the Board of Directors and the explanatory report of the Certified Auditors

The corporate financial statements as at 31 December 2023 were approved, in accordance with International Financial Reporting Standards (IFRS), following the relevant annual management report of the Board of Directors and the explanatory report of the Certified Auditors in accordance with Law 4548/2018, as in force.

In favour: 23,508,846 votes, i.e. 100% of the present share capital.

Against: 0 votes.

Abstention: 0 votes.

Agenda Item 2

Approval of distribution of profits for the financial year 01.01.2022-31.12.2022 as well as profits of previous years and provision of relevant authorization to the Board of Directors

A decision on this matter has been postponed pursuant to Rule 141(1). 5 of Law 4548/2018 for **Monday, May 20, 2024 at 12:00 p.m.**, which is defined as the day of continuation of the meeting on this issue, at the request of a shareholder of the Company who holds more than 1/20 of the paid-up share capital of the Company. The General Meeting will convene on the Company's property in **Al. Pantou 19 – 23 in Kallithea, in the Ground Floor Conference Room**. Please note that no new Call will be published, in accordance with the provisions of the law.

The postponement is deemed necessary as the Company is in the process of signing an amendment to the share purchase and merger agreement through absorption signed on February 23, 2023 between the Company, Intercontinental International REIC (ICI) and Ajolico Trading Ltd, main shareholder of ICI, so as to allow the distribution of profits for the fiscal year 2023 to the shareholders of the two REICs. As the Company has published, the first stage of the merger involving the purchase of real estate by ICI was completed on January 31, 2024, i.e. 11 months after the signing of the agreement. This delay is solely due to urban planning issues of the properties that had to be solved before their transfer and which were quite complex and time-consuming. As a consequence, the next stages of the merger were postponed to the current year 2024, which was not foreseen when the initial agreement was signed. For this reason, the initial agreement did not include a provision for profit distribution for the fiscal year 2023.

It is therefore necessary to postpone the decision on this matter, so that the amendment to the original agreement has been signed allowing the distribution of profits for the financial year for both parties without raising the question of violating the terms of the agreement.
