COMPANY PROFILE

Dromeas SA is a Greece-based enterprise mainly engaged in the manufacture and trade of home and office furniture, partition walls and filing systems.

Dromeas is today the leading office furniture producer in Greece and one of the leaders in Europe, especially with respect to Infrastructure, Technology, Production capability and Quality. The products have high aesthetic value, are innovative and ergonomic, have exceptional quality and value for money.

The pallet of products includes desks and chairs for offices, furniture for waiting areas, auditorium seating systems, bookcases, partition walls, as well as home furniture like sofas, wardrobes, ready-made kitchens, beds, bookcases and chairs with adjustable mechanisms. Dromeas also has its own integrated tool making shop that produces various tools and high-pressure aluminium die casting parts. The company's sales network consists of 32 renowned stores located throughout the main cities of Greece and the Balkans.

Dromeas is strongly export-oriented: it exports finished products and components to the public and private sector, banks and insurance companies, academic institutions and airports, in countries like the United Kingdom, Germany and all over Europe and the Balkans, Russia, Saudi Arabia, Australia, the United Arab Emirates, Egypt and the Philippines.

REVENUES ANALYSIS (in € 000)

Dromeas is strongly export-oriented: it exports finished products and components to the public and private sector, banks and insurance companies, academic institutions and airports, in countries like the United Kingdom, Germany and all over Europe and the Balkans, Russia, Saudi Arabia, Australia, the United Arab Emirates, Egypt and the Philippines. The company's exports raised up to 67.51% of total sales in 2012.
