Website:	http://www.sandb.com
Bloomberg code:	ARBA:GA
Reuters code:	BARr.AT
ISIN code:	GRS228003000

COMPANY PROFILE

S&B is a global diversified minerals and materials group, providing industrial solutions based on natural resources, to a wide range of markets, such as foundry, construction, metallurgy and various specialty niche sectors, with sales in more than 70 countries around the world. S&B Industrial Minerals S.A. was established in Greece in 1934 and is listed on the Athens Exchange since 1994. It is the parent company of the S&B Group with headquarters in Athens, Greece. Through mining and processing operations, S&B utilizes the multiple properties of industrial minerals to transform its mineral-based product portfolio into industrial customized solutions for a broad range of industry applications. S&B maintains operational assets and production, processing and distribution activities in 21 countries, in the geographic regions defined as North Europe, South Europe, Americas and Asia/Pacific.

EXPORTS

Products that are exported from Greece to third party customers around the world include bentonite, perlite and bauxite. Indicative customer locations include various countries in Europe (Germany, France, others), the U.S., Canada, Turkey and various other locations in the Middle East and Africa. In 2012, revenue generated in Greece represented only 6.61% of the Group's worldwide sales. In addition, export activity also occurs from almost all other operating locations of the Group, besides Greece.

KEY INVESTMENT HIGHLIGHTS

- Broad geographic footprint with global operations in 21 countries
- Leading market positions
- Market to mine value chains backwardly integrated to high quality reserves
- Proven track record of solid fundamentals
- Strong talent and industrial marketing skills
