

Handling of Corporate Action for "COCA COLA E.E.E. S.A."(EEEE)

The Athens Exchange (ATHEX) Board of Directors, during its session on June 2nd 2011, was informed of the increase in the par value of the shares of the company "COCA COLA E.E.E. S.A." from euro 0.50 to euro 2.00, the decrease in the par value of the shares of the same company, from euro 2.00 to euro 1.50 and the capital return of **euro 0.50** per share to shareholders through a cash payment. The trading of the existing shares under their new par value of **euro 1.50** per share, as well as, the ex-rights date for the receipt of the capital return is set on **June 10th, 2011**.

Beneficiaries of the capital return are the ones registered in the records of the Dematerialised Securities System on **June 15th, 2011**, date of determination of beneficiaries (record date).

The Derivatives Market of the Athens Exchange will perform the following adjustments according to the products specifications.

For **EEEE** Futures and only for expiries with non-zero open interest after the closing of **09/06/2011**, the contract size will change as follows.

$$N_{new} = N_{old} \times \frac{S - D}{S - D - E}$$

N_{new}	New number of shares per contract
N_{old}	Number of shares per contract before the corporate action
S	Price for the Underlying Share before the corporate action
D	Dividend Value with the same ex-right date as the return of capital.
E	Return of Capital Value

Adjusted Series will acquire an 'X' on their symbol (and issue modifier =1). For example, the series EEEK1F will change to EEEK1FX.

For **EEEE** Futures and only for expiries with non-zero open interest, the fixing price of the **09th of June 2011** will change for the purpose of daily cash settlement on the **10th of June 2011**, as follows.

$$P_{new} = P_{old} \times \frac{S - D - E}{S - D},$$

P_{new}	Adjusted Settlement Price of the day before the ex-right date used for the Daily Settlement of the ex-right date
P_{old}	Settlement Price of the day before the ex-right date.

For adjusted series, deal prices will be adjusted using the same formula.
