COMPANY PROFILE

The ELVAL Group is the aluminum product manufacturing, processing and trading branch of VIOHALCO. The extensive manufacturing base of the ELVAL Group, which includes 12 factories in Greece, Bulgaria and United Kingdom, manufactures a wide range of products including, among others, aluminum sheets for roofing, aluminum panels for doors, coils for building facades, soft drink cans, food cans, caps for spray cans, lithographic sheets, aluminum foil for household use and for food and medicine packaging.

REVENUES ANALYSIS (in € 000)

The analysis of the Group's sales reveals that the international sales of aluminium to European Union, European countries, Asia, United States, Africa and Oceania accounted for 89.41% of the other turnover in 2013.

KEY INVESTMENT HIGHLIGHTS

ELVAL started its activities in 1973 and is now one of the most important aluminium rolling industries in the world; it is the only Group in Greece that focuses on this activity.

Some of the competitive advantages of the Group are its manufacturing flexibility, its production capability for wide coils and long slabs resulting to low production cost, its upgraded / state-of-the-art key equipment, its important presence in the lithography market, its extensive distribution network and its strategic partnerships with world-known firms.
