- "Other comprehensive income after tax" in the Statement of Comprehensive Income on consolidated and stand alone basis, for current and previous comparative year, concerns fair value differences attributed to the available for sale portfolio.
- The effect of the implementation of I.A.S.39 and I.F.R.S.7 amendments, which were issued on October 2008 and are effective from July 1st, 2008, due to reclassified securities measured in fair value is as follows: revaluation losses for the year from January 1st, 2009 to December 31st, 2009 amounting to € 16,99 million have been recognized in Available for sale reserve. Moreover, losses from disposal of reclassified securities for the year from January 1st, 2009 to December 31st, 2009 amounting to € 1,72 million have been recognized in the income statement. For reclassified securities measured at amortized cost, gains for the year from January 1st, 2009 to December 31st, 2009, amounting to € 14,76 million have not been recognized in the income statement and in Available for sale reserve.
- The General Assembly of May 2nd, 2008 decided the implementation of a Share Buyback Plan, pursuant to Article 16 of Law 2190/1920 "re: Sociétés Anonymes", as is in force. In particular, the General Assembly approved the purchase of treasury shares via Athens Stock Exchange up to the total of 10 million (Bank's) shares, with purchase prices between the range of € 3,70 (minimum) and € 19,00 (maximum) within twenty four months, beginning from May 2nd, 2008. It is noted that following the February 20th, 2009 commitment of Law "Amendments to Law on Dematerialized Securities System, on the Capital Market, taxation issues and other provisions (Law N.3756/2009, Official Gazette 53A/31.03.2009)", which stipulations state that "for the period of participation of credit institutions in the programs on the enhancement of liquidity of the economy of Law 3723/2008, the purchase of treasury shares is not allowed", the Bank did not proceed to the acquisition of any treasury shares after February 19th, 2009. This decision was based on the Banks oncoming submission to the stipulations of Law 3723/2008, in accordance with the decision of the Extraordinary General Assembly of the owners on January 28th, 2009.
- The number of Treasury Shares held by the Group for the year ended as at December 31st, 2009 was 3.465.020 common shares at cost of € 23.507,02 thousand, while those held by the Bank were 3.433.020 common shares at cost of € 23.228,78 thousand.
- The General Assembly of the Bank's shareholders, owners of common shares, which took place on June 30th, 2009, approved the non-distribution of dividends for the fiscal year 2008 according to No. 20708/B1175/23.04.2009 decision of the Ministry of Economy and Finance. It must be noted that according to the provisions of article 39 which are regulated in the Bill for "adaptation of the Greek Legislation in the Directive 2006/123 of the European Parliament and Council with regard to the Services in the internal market and other provisions" that replaced the first section of paragraph 1, article 28 of Law 3756/2009, in the case of distribution of dividend for the financial years of 2008 and 2009, under the provisions of paragraph 3, article 1, of Law 3723/2008, concerning the credit institutions that participate in the liquidity plan. Any distribution must be exclusively in the form of equity shares. Under, this perspective, the Bank's Board of Directors aims to formulate a proposal to the General Assembly of the Bank's shareholders, regarding the non-distribution of dividends to the owners of common shares, from profits earned in the fiscal year 2009.
- The Bank's Board of Directors Meeting, as of May 25th, 2009, proceeded with the subscription of the full payment of € 224.960 thousand of share capital increase, by issuing 60.800.000 preference shares, as the Extraordinary General Meeting (common shares' holders) decided on January 28th, 2009, according to article 1 of Law 3723/2008 "The enhancement of liquidity of the economy in response to the impact of the international financial crisis". Capital increase was undertaken by the Hellenic Republic by contributing 224.960 bonds of total face value € 224.960 thousand. Preference shares were recognised at Equity and specifically to "Share Capital". If the aforementioned preference shares were recognised as a financial liability, the consolidated and own net profit after tax, for the year January 1st, 2009 to December 31st, 2009 would be reduced by € 10.541,48 thousand. There is an analytical reference in note 35 of the Financial Statements.
- On July 13th, 2009, 142.232.982 new common registered shares with voting rights of nominal value € 3,70 each (henceforth the "New Shares") commenced trading on the Athens Exchange ("ATHEX"). The share capital increase was fully covered (by 133,79%) by virtue of the resolution of the Extraordinary General Assembly held on April 22nd, 2009. The share capital increase of € 526.262.033,40 was issued via cash contributions, rendering of pre-emptive rights, in favour of the old stockholders and the right by subscription to any non exercised rights. The offer price amounts to € 3,70 per share.
- The current composition of the Board of Directors of the Bank was generated from the resolutions of the Extraordinary General Assembly of December 11th, 2009, held under the relevant demand of the "Greek State", as a major shareholder, and the decision of the Board of Directors as of February 9th, 2010.
