

AXIAsms-email

AXIAsms-email service is addressed to ATHEXCSD Participants, who can register beneficiaries of Securities Accounts in the Dematerialized Securities System (DSS).

Through the service, the beneficiaries receive alerts directly via their mobile phone number and/or email for changes in the details (movements, transactions, etc.) of their Securities Account in the DSS.

Benefits

Possibility of a reduced annual regular contribution of the Participant to the Guarantee Fund.

Increased transparency for beneficiaries of Securities Accounts in the DSS regarding changes in their Account details.
