

Athens Stock Exchange Sponsors Erste Group's CEE Equity Conference 2025

11 ATHEX-Listed Companies Participate in One of the Region's Leading Investment Events

The Athens Stock Exchange (ATHEX) is proud to sponsor the CEE Equity Conference 2025, organized by Erste Group – one of the most prominent investment gatherings in the Central and Eastern Europe (CEE) region. The event takes place from May 26 to 29, 2025, at the Hotel Westin, in Warsaw.

Bringing together listed companies and institutional investors from across the region, the conference offers valuable opportunities for networking and one-on-one meetings that foster cross-border investment and collaboration.

This year, 11 companies listed on the Athens Stock Exchange participate in the event, alongside peers from Austria, Croatia, Germany, Hungary, and Poland. Their presence highlights both the quality and momentum of the Greek capital market and further strengthens its position as a compelling investment destination in the international arena.

The participating ATHEX-listed companies are:

Aegean Airlines, Athens International Airport, Athens Exchange Group, Hellenic Telecommunications Organization (OTE), Lamda Development, Motor Oil, National Bank of Greece, Public Power Corporation (PPC), Sarantis Group, GEK Terna, and Titan Cement International.

Sponsoring this high-profile event aligns with the Athens Exchange Group's broader strategy to enhance the international visibility of the Greek capital market.
