Expansion of BriQ Properties' Logistics Center in Aspropyrgos

BriQ Properties R.E.I.C. is proceeding with the construction of a third Storage and Distribution Center with a total area of 7.868 sq.m. with the potential for further expansion. The new building will have the same high standards as the existing buildings and is expected to be completed by 2027.

With the addition of the new building, the total building area of the Logistics Center in Aspropyrgos will reach 52.360 sq.m., while the Company will have invested a total of € 37 million.

The Company's CEO, Anna Apostolidou, stated: "*The development of another Storage and Distribution Center strengthens our portfolio of high-yield properties in a market segment with strong growth prospects.*"
