

ALUMIL Participates in the “EUROPEAN MIDCAP EVENT 2025, Paris – 25th Edition”

ALUMIL ALUMINIUM INDUSTRY S.A. (“ALUMIL”) successfully participated in the “EUROPEAN MIDCAP EVENT,” held in Paris on September 30 and October 1, 2025, organized by CF&B Communication (<https://parismidcapevent2025.cfbcom.com/>). The event aimed to enhance the extroversion and visibility of mid-cap listed companies to institutional investors internationally.

During the event, ALUMIL’s representatives engaged in a series of high-level meetings with institutional investors and executives from leading international investment organizations. The discussions focused on the company’s strategic plans, financial performance, and prospects for global expansion. Special attention was given to ALUMIL’s sustainability-driven initiatives, reflecting its commitment to continuous improvement across all areas of its operations.

The presentation used during the meetings with investors is available on [ALUMIL’s](#) official website
