The Interest Rate and the final yield shall be determined by the Joint Coordinators and Bookrunners, within the yield range, by the Electronic Book Building, as further specified in the Prospectus, which was

THIS ANNOUNCEMENT AND THE INFORMATION CONTAINED HEREIN ARE NOT INTENDED TO AND SHALL NOT BE DISTRIBUTED, IN WHOLE OR IN PART, IN ANY COUNTRY WHERE THE RELEASE, PUBLICATION OR DISTRIBUTION OF SUCH INFORMATION IS CONTRARY TO THE APPLICABLE LAWS OR REGULATIONS OR WOULD REQUIRE A LICENSE OR REGISTRATION TO THAT END. THIS ANNOUNCEMENT IS NOT AN OFFER OF SECURITIES FOR SALE OR A SOLICITATION OF AN OFFER TO PURCHASE ANY SECURITIES OF THE COMPANY IN ANY JURISDICTION IN WHICH AN OFFER IS UNLAWFUL.

approved by the Board of Directors of the Hellenic Capital Market Commission in its meeting held on 06.11.2025 ("Prospectus"), will be approved by a person authorized by the Board of Directors of the Issuer and will be announced on the Company's website and on the website of the ATHEX no later than the next business day after the end of the Public Offering period.

The final yield will be determined by the Joint Coordinators and Bookrunners within the yield range for the participants of E.BB. process.

The yield range, which was determined by the Joint Coordinators and Bookrunners and within which the Qualified Investors will submit their bond subscription applications ("Subscription Applications"), is as follows:

RANGE	
Low-end yield	High-end yield
3.80%	4.10%

The final yield and Interest Rate shall be notified to the Hellenic Capital Market Commission and shall be published on the website of the Issuer and ATHEX, at the latest on the next business day following the completion of the Public Offering.

The criteria and conditions, on the basis of which the final yield and Interest Rate shall be determined, include the bond market conditions, the volume of demand per yield by Qualified Investors, the volume and type of Qualified Investors, the volume of demand by Retail Investors (to the extent that the final allocation to them exceeds the minimum allocation percentage of 30%), as well as the bond loan issuance service cost that the Issuer is willing to undertake.

Indicatively, if the demand by Qualified Investors covers the Issuance up to the high end of the yield range but at the same time a material part of the Issuance is subscribed for at a lower level of yield, the lower level may be selected, even if this results in a smaller amount of proceeds raised, and provided that the condition for the issuance of the Bonds is met.

Concurrently with the determination of the final yield, the final allocation of the Bonds will be decided. In any case, the Interest Rate shall be determined within the aforementioned binding yield range.

The Interest Rate and offer price will be common for all investors, Qualified and Retail, that will participate in the Issuance of the Bonds through the Public Offering.

In accordance with Circular 23/22.06.2004 of the Hellenic Capital Market Commission, within two (2) business days following the end of the Public Offering, a detailed announcement will be issued by the Joint Coordinators and Bookrunners regarding the outcome of the Public Offering, including the Interest Rate, which will be published in the Daily Statistical Bulletin of ATHEX.

THIS ANNOUNCEMENT AND THE INFORMATION CONTAINED HEREIN ARE NOT INTENDED TO AND SHALL NOT BE DISTRIBUTED, IN WHOLE OR IN PART, IN ANY COUNTRY WHERE THE RELEASE, PUBLICATION OR DISTRIBUTION OF SUCH INFORMATION IS CONTRARY TO THE APPLICABLE LAWS OR REGULATIONS OR WOULD REQUIRE A LICENSE OR REGISTRATION TO THAT END. THIS ANNOUNCEMENT IS NOT AN OFFER OF SECURITIES FOR SALE OR A SOLICITATION OF AN OFFER TO PURCHASE ANY SECURITIES OF THE COMPANY IN ANY JURISDICTION IN WHICH AN OFFER IS UNLAWFUL.

Detailed information on the final yield and interest rate is provided in section 4.3.3. “Determination of final yield and Interest Rate of the Bonds by means of a Public Offering through the Book Building” of the Prospectus.

In particular, the Public Offering will commence on Wednesday, 12th November 2025, at 10:00 a.m. Greek time and shall be concluded on Friday, 14th November 2025, at 4:00 p.m., Greek time.

Amendment or cancellation of the Subscription Application for the offer to purchase Bonds is possible throughout the term of the Public Offering, following a similar process to the initial submission.

In case the Subscription Application is not properly filled in, pursuant to the terms and conditions for the participation and subscription in the Public Offering, according to the Prospectus, the CBL Program and the E.BB Decision, the Subscription Application will not be accepted.

The Bonds will not be registered, in accordance with the relevant securities legislation, in any country other than Greece.

THIS ANNOUNCEMENT AND THE INFORMATION CONTAINED HEREIN ARE NOT INTENDED TO AND SHALL NOT BE DISTRIBUTED, IN WHOLE OR IN PART, IN ANY COUNTRY WHERE THE RELEASE, PUBLICATION OR DISTRIBUTION OF SUCH INFORMATION IS CONTRARY TO THE APPLICABLE LAWS OR REGULATIONS OR WOULD REQUIRE A LICENSE OR REGISTRATION TO THAT END. THIS ANNOUNCEMENT IS NOT AN OFFER OF SECURITIES FOR SALE OR A SOLICITATION OF AN OFFER TO PURCHASE ANY SECURITIES OF THE COMPANY IN ANY JURISDICTION IN WHICH AN OFFER IS UNLAWFUL.

Interested Retail Investors may file their Subscription Applications through the Joint Coordinators and Bookrunners and the Lead Underwriters, as well as the E.BB Members and the Participants of the D.S.S. that cooperate with E.BB. Members for the filing of Subscription Applications via the E.BB. service from the first until the last day of the Public Offering.

In case of a Subscription Application submitted on behalf of a Retail Investor through a Client Securities Account, including Joint Investor Shares, this application will be accepted only if said Retail Investor is the beneficiary or co-beneficiary of the Securities Accounts, through which subscription was conducted.

Interested Retail Investors will subscribe for the lowest yield of the aforementioned announced yield range. The value of subscription for Retail Investors is the product of the number of Bonds requested multiplied by the nominal value of €1,000 per Bond.

Detailed information on the participation of Retail Investors is provided in section 4.3.5. "Offering, Subscription and Allocation Process of the Offered Bonds through a Public Offering" of the Prospectus.

PROCESS FOR PARTICIPATION OF QUALIFIED INVESTORS IN THE ELECTRONIC BOOK BUILDING

Interested Qualified Investors must file their Subscription Applications directly to the Joint Coordinators and Bookrunners and the Lead Underwriters. The process for submission of offers by Qualified Investors will last from the first until the last day of the Public Offering. The yield that will be included in the Subscription Application, within the range referenced above, will be in increment of five (5) basis points, namely 0.05%.

Offers submitted by Qualified Investors will be collected throughout the term of the E.BB. process, which will be managed by the Joint Coordinators and Bookrunners, in order to determine the requested volume per alternative yield, as well as the total number of requested Bonds.

The E.BB. will close on the last day of the Public Offering period (4:00 p.m. Greek time), and all offers, as in force at that time, will be considered as final.

Detailed information on the participation of Qualified Investors is provided in section 4.3.5. "Offering, Subscription and Allocation Process of the Offered Bonds through a Public Offering" of the Prospectus.

ALLOCATION PROCESS

Following the determination of the final yield and Interest Rate, the Joint Coordinators and Bookrunners shall determine the size of the Issuance and, subsequently, the Bonds will be allocated to investors as follows:

- at least 30% of the Bonds of the Public Offering (namely at least 150,000 Bonds in the event of full subscription of the CBL, i.e. issuance of 500,000 Bonds) will be allocated to Retail Investors; and
- up to 70% of the Bonds of the Public Offering (namely up to 350,000 Bonds in the event of full subscription of the CBL, i.e. issuance of 500,000 Bonds) will be allocated among Qualified Investors and Retail Investors.

As long as the subscriptions of Retail Investors for the 30% of the Bonds of the Public Offering have been satisfied, the following will be taken into consideration, for the final determination of the percentage of allocation to each category of investors: (a) the demand by Qualified Investors, (b) the demand in the remaining 30% segment by Retail Investors, (c) the number of Subscription Applications submitted by Retail Investors, as well as (d) the need to create conditions for the smooth trading of the Bonds in the secondary market.
