

## PRESS RELEASE

### New Contract for the Construction of ANTENNA's New Offices

EKTER S.A., in accordance with Regulation (EU) 596/2014 and the Athens Exchange Regulation, informs the investment community that on February 13, 2026, it signed a contract with the company TILEOPTIKA KTIRIA SINGLE-MEMBER S.A.

The subject of the contract is the execution and construction of the Project: "B' Revision of Building Permit No. 2/2012 for the construction of a five-story office building and television and radio production studios with two underground levels, including modification of studies, façade alterations and structural frame amendments."

Following the signing of the above contract, the outstanding backlog of public and private projects being executed by EKTER S.A. (either independently or through its participation in joint ventures) amounts to €167.0 million.

#### About EKTER S.A.

Founded in 1959, EKTER S.A. is a rapidly growing Greek construction company with distinctive quality characteristics. For more than 65 years, it has operated with consistency, reliability, efficiency and, above all, integrity, delivering high-quality projects. Its strategy focuses on strengthening its operations and continuously improving its performance. The company has developed a business model centered on construction, where it possesses extensive specialization and accumulated expertise across a broad and steadily diversified project portfolio. At the same time, it has expanded into related sectors such as hospitality, real estate, and Public-Private Partnership (PPP) projects. EKTER S.A. currently holds a 6th Class Contractor Certificate; however, it now meets the criteria for obtaining the highest, 7th Class Contractor Certificate and is expected to submit the relevant application to the competent authorities within 2025. With respect for the environment and people, EKTER S.A. delivers projects that, through their style and ethos, contribute to shaping the modern cultural identity of the country, aiming to create added value not only for its shareholders but also for Greek society as a whole.

The company has been listed on the Athens Exchange since 1994.
