

PRESS RELEASE

Investors Meeting

Athens, 27 March 2026

PREMIA PROPERTIES (“Premia”) held its annual “Investors Meeting” today at Hotel Grande Bretagne, where the Company’s FY2025 financial results, its corporate strategy and outlook were presented to institutional investors.

At Premia, 2025 was a year marked by accelerated growth and consistent execution of its business plan. The Company continued to expand its portfolio and further strengthen its presence in strategic sectors such as hospitality and student housing, while delivering strong operating results. Total investments reached c. € 700m, representing a +39% increase with revenues rising by +68% and operating profit by + 71%, vs 2024.

For 2026, the Management looks forward to a year of strong performance and consistent growth, reaffirming its strategic direction to its core investment sectors.

The presentation is posted on the Company's website www.premia.gr
