**GEK TERNA Motorways – Traffic data 1Q 2026**

GEK TERNA Group (Bloomberg: GEKTERNA GA / RIC: HRMr.AT) announces key traffic data for its main operating motorways for 1Q 2026.

The average daily traffic on Attiki Odos motorway posted an annual increase of 2.5% compared to the respective period last year, with the average daily traffic (ADT) reaching 275,649.

The average daily traffic on Egnatia Odos motorway posted an annual increase of 4.5% compared to the respective period last year, with the average daily traffic (ADT) reaching 196,067.

Regarding Nea Odos and Kentriki Odos motorways, the average daily traffic for 1Q 2026 posted an annual decrease of 3.2% and an annual increase of 4.9% respectively, with the average daily traffic (ADT) coming at 108,268 and 40,556 accordingly.

It is noted that daily traffic on Egnatia Odos, Nea Odos and Kentriki Odos motorways, during the month of January was directly affected by the farmers' protests which have now concluded.

<i>ADT</i>	<b>1Q 2025</b>	<b>1Q 2026</b>	<b><i>y-o-y</i></b>
<b>Attiki Odos</b>	268,822	275,649	2.5%
<b>Egnatia Odos</b>	187,622	196,067	4.5%
<b>Nea Odos</b>	111,883	108,268	-3.2%
<b>Kentriki Odos</b>	38,666	40,556	4.9%
